NO THAW™ JUICE CUPS CRANBERRY JUICE COCKTAIL

No-Thaw™ Juice Cups are packaged in a sterile, aseptic environment under strict microbiological guidelines and can be safely served in any clinical or residential setting. They require no freezer space, are quick and easy to chill, and are guaranteed not to leak. Unlike frozen cups, No-Thaw™ cups help to lower your operational costs because they do not sweat. This leaves serving trays dry and cups clean. No-Thaw™ Juice Cups are stackable, easy to open and easy to hold.
